- Improving customer service results
- Providing financial return on investment
- Attracts more customers to your business

WORCESTERSHIRE APPRENTICESHIPS

Worcestershire Apprenticeships was launched in 2014 as a one stop shop for apprenticeship information for employers and apprentices. Run by the Worcestershire LEP, Worcestershire County Council, Worcestershire Business Central and the Worcestershire Training Providers Association it aims to cut through the confusion of Apprenticeships and work with employers to support them by:-

- Supporting Employers to recruit apprentices
- Supporting Employers to find the right apprenticeship for them
- Finding a training provider that suits the employer
- Locating funding opportunities for employers

OR IN OTHER WORDS MAKING IT SIMPLE!

In Worcestershire in 2013/14 we had over 10,000 people participating in apprenticeships, showing that apprenticeships are now a viable recruitment option for employers to grow their workforce skills both now and for the future.
