

ARE YOU A LEVY PAYING BUSINESS?

Do you have unspent funds in your digital account?

Did you know you could transfer up to 25% of your funds down your supply chain or to the wider Worcestershire business community to support SME's and young people in accessing high quality apprenticeships?

The Worcestershire LEP wants to maximise the benefits of the Apprenticeship Levy across the County. If you are a levy paying employer, talk to us about how we can help you.
